CRECHE RULES

Parents & Guardians,

Please understand that the rules we have put in place are to keep children safe while in our care.

These include, but are not limited to:

- ALL creche sessions must be booked in advance. You can no longer drop your child off between 9am and 12pm. Our booking system has restrictions in place to ensure that the creche is not overbooked and that our creche attendant can ensure adequate care for each child.
- Any child that is unable to sit up on their own or crawl, must have a seat provided to them. Parents are welcome to provide a bouncer, pram or seat of their choosing.
- NO FOOD IS PERMITTED IN THE CRECHE. Please feed your child before or after their session in the creche. This is to avoid any possible allergic reactions for other children and to prevent any choking hazards. Snacks of any kind are not acceptable.
- Socks must be worn by all children in the creche. This is for their own hygiene and to minimise the spread of germs where possible.
- The maximum booking time is 1 hour. We will allow a 5 minute grace period on either end of their booking. If a parent exceeds this, they will be charged for another session.
- Our creche attendant has the authority to ask you to collect your child if they deem them unwell or find that they are misbehaving and disturbing other children.
- Bookings must be paid for prior to the creche session.

Casual sessions can be paid for at the front desk of INFIT before heading upstairs. A day pass will be provided to hand to the creche attendant so they know payment has been made.

Creche cards can be purchased at the front desk of INFIT. Once purchased you can present this card to the creche attendant, who will mark off each visit until the card is complete.

Please note that if you are found to be in breach of any of the rules or those in our full T's and C's, you will be asked to collect your child and leave the creche.
